Education

Ph.D. in Computer Science (anticipated completion October 2024)

Bergen, Norway

WESTERN NORWAY UNIVERSITY OF APPLIED SCIENCES

Oct. 2020 - Present

- I am working as a Ph.D. research fellow in the field of multi-model driven software engineering. I focus on coordinating multiple heterogeneous behavioral models describing different aspects of one system. This can be used for model-checking or simulation of the composite system.

Experience

SET GmbH

Hanover, Germany

SOFTWARE ENGINEER

Oct. 2018 - Oct. 2020

- I was part of a team that is redesigning the company's current production management system in Java. Before that, we have implemented an android app for one of our customers as a hybrid app, which is based on web technologies. This app is a vital part of the production processes implemented by the current production management system.

VHV-Group

Hanover, Germany

WORKING STUDENT

Oct. 2015 - Oct. 2018

- Dual course of study while acquiring a bachelor in business computing. I was mainly working on testing business processes implemented with the camunda BPMN Workflow Engine and on automating GUI regression testing with selenium.

Projects

The Visual Debugger Tool

Bergen, Norway

RESEARCH PROJECT

May. 2021 - PRESENT

- I developed a [tool](#) which visualizes the variables during debugging as an object-diagram which has nearly 4000 downloads.

autoD

Hanover, Germany

PERSONAL PROJECT

Dec. 2019 - PRESENT

- I have developed an app for my hobby, gymnastics, which helps you to calculate your difficulty score for your exercise. It can be downloaded in the [Google Play Store](#) or used as a [progressive web app](#). Currently, there are about 100 gymnasts who use the app.

Hobbies & Interests

Gymnastics

Hanover and Bergen

2004 - PRESENT

- Gymnastics is my key to balance out the mostly cognitive work. I am training at least 2-3 times weekly for roughly two hours.
- In my youth, I became a regional champion in Lower Saxony multiple times in the individual competition and as a team. In 2010 I achieved 7th place in the german all-around championships, a mix of gymnastics and athletics.
