## Education

### Master of Science in Information Engineering (est. Apr. 2020)

Hannover, Germany

FHDW HANNOVER

Okt. 2018 - Apr. 2020

- GPA: 4.0/4.0, Grade A
- Studying while working as a Software Engineer at the SET GmbH
- Thesis: Entwicklung einer Semantik zur Ausführung von Produktionsabläufen für das Produktionsmanagement der SET GmbH (Development of semantics for the execution of production processes for the production management of the SET GmbH)

### Bachelor of Science in Business Computing

Hannover, Germany

FHDW HANNOVER

Okt. 2015 - Okt. 2018

- GPA: 3.7/4.0, Grade A
- Thesis: Konzeption eines Frameworks zum automatisierten Testen von BPMN-Prozessen in der VHV (Conception of a framework for the automated testing of BPMN processes in the VHV)

## Skills

**Programming** Java, Gradle, Maven, Typescript, Angular, Ionic, HTML, CSS, SVN, Git

## Experience

### SET GmbH

Hannover, Germany

SOFTWARE ENGINEER

Okt. 2018 - PRESENT

- I am part of a team that is redesigning our old production management system in Java. Before that, we have implemented an android app for one of our customers as a hybrid app which is based on web technologies. This app is a vital part of the production processes implemented by the old production management system.

### VHV-Gruppe

Hannover, Germany

WORKING STUDENT

Okt. 2015 - Okt. 2018

- Dual course of study while acquiring a bachelor in business computing. I was mainly working on testing business processes implemented with the camunda BPMN Workflow Engine and on automating GUI regression testing with selenium.

## Projects

### autoD

Hannover, Germany

PERSONAL PROJECT

Dec. 2019 - PRESENT

- I have developed an app for my hobby gymnastics, which helps you to calculate your difficulty score for your exercise. It can be downloaded in the Google Play Store here or used as a progressive web app here. Currently, there are about 70 gymnasts who use the app.
